Aleksandr Andreiko

Yerevan, Armenia • +374-98-990-665 • aleksandr.andreyko.fd@gmail.com • linkedin.com/in/chgrin

I am a Frontend Developer with over five years of experience. I follow clean code principles and take a deep architectural approach to building scalable applications.
Between December 2023 and April 2024, I was job searching after relocating while enhancing my skills.

PROFESSIONAL EXPERIENCE

Keep Calm,Yerevan, Armenia   Apr 2024 – Present
Frontend Developer
- Led the transfer of key application components to PWA, which significantly reduced the time needed to reload these modules due to caching, and added the ability to use part of the application offline
- Built a floor plan selection tool ("chessboard view"), enabling easier navigation and faster apartment bookings, increasing daily meetings by 15%
- Designed and implemented a meeting schedule manager, empowering agents to track appointments, plan leaves, and optimize daily workflows

National Media Group, Moscow, Russia   Dec 2020 – Nov 2023
Frontend Developer (TV Channels Sites Team)
- Developed a premium subscription system, boosting revenue by 20%
- Led a full redesign of the "Domashniy" website, driving a 25% increase in traffic
- Enhanced site speed by 40% through the implementation of modular architecture and dynamic component loading
- Conducted A/B testing, which improved user session duration by 30%
- Successfully onboarded and trained a new developer to ensure smooth project handover

Leomax, Moscow, Russia   Aug 2019 – Dec 2020
Junior Frontend Developer
- Created over 50 landing pages, enhancing product visibility and conversion rates
- Optimized build processes with Webpack, reducing deployment times by 30%
- Supported and developed new features for active e-commerce platforms, improving the user experience and site performance

EDUCATION

The First Moscow Educational Complex, Moscow, Russia   2012 – 2016
Secondary Vocational Education, Specialist in Advertising and Multimedia Technologies
- Awards: The Grand Prix for the graduation diploma
